

# *Hybrid Power Systems: What is needed for the future?*

Nick Miller

4<sup>th</sup> International  
Hybrid Power Systems Workshop

22 - 23 May 2019

Crete, Greece

# What is needed for the future?

- Generation Technology Gaps
- Storage Technology Gaps
- Demand-side Technology Gaps
- Policy and Regulatory Gaps
- Practice & Interconnection Rule Gaps
- Societal, Acceptance Gaps
- Tool Gaps
- Contract Structure Gaps
- Gap Gaps 😊
